Questionnaire To Write A New Internship/Opportunity Press Release

The purpose of this press release is to publicize a new internship or opportunity offered by the company.

The following questionnaire is designed to help you organize the most relevant information for this type of press release. Providing clear, concise, and informative answers will directly impact its quality. Whether your goal is to write the press release yourself or submit a fact sheet to a professional writer, take the time to organize and explain the facts of your development by answering these questions.

What Is The Opportunity/Role:

Junior Designer

Why Is The Company Offering This Opportunity:

We are looking to on-board new designers who will be responsible for yard and planting layouts. We use a special system to do this, so an internship is a good learning opportunity for someone who wants to know more about the industry and how horticultural and creative skills can be applied.

What Is Involved/What Should The Chosen Applicant Expect:

Our intern will shadow our full-time designers to see how they take a concept and turn it into a concrete planting and maintenance guide for our landscaping teams. They will also perform miscellaneous tasks that help us stay organized and productive.

Why Is This A Good Opportunity:

This is a great opportunity to learn the technical aspects of landscape design. The intern will be able to build their portfolio with digital and print design layouts. The intern will also be able to add their creative input and offer up ideas in a supportive and professional environment.

Where Will It Be Offered:

85 Prescott Circle, Office C, Steadsville, CT 06810

When Does It Start:

January 2023

How Long Does It Last:

Summer 2023

Who Is Eligible To Apply:

University and college students in the area, preferably those who are studying horticulture, design, or similar fields.

What Is The Application Process:

Complete the application form on our website or print and mail to our office address.

Quote From The Company About Why This Opportunity Is Worth Pursuing:

Our team is made up of passionate, creative people who love what they do. We look forward to welcoming new team members who are eager to start off on a great career.

Person Providing The Quote:

Sheena Fanning

Their Professional Title/Role:

Head Designer

Formal Headline:

This headline will be submitted to news services. It must be straightforward and factual.

NEW JUNIOR DESIGNER INTERNSHIP OPPORTUNITY OPENS UP AT SYMPHONY YARDS LANDSCAPING

PRESS RELEASE SUMMARY

University and college students in the Steadsville, CT area can take advantage of a new opportunity as a junior designer for Symphony Yards Landscaping. The company will be offering this internship starting in January of next year.

PRESS RELEASE

Symphony Yards Landscaping is offering a new opportunity with its junior designer internship. This winter, the longtime landscaping service provider will be accepting applications from horticulture, design, and other local students who wish to build their skills, offer creative input, and gain experience in a unique professional environment.

To learn more about the internship and other opportunities with Symphony Yards Landscaping, visit: sylgardens.com/opportunities.html

Symphony Yards Landscaping's new intern will be working with the company's team of designers as they turn concepts into yard layouts and planting schemes. This is completed using a specialized, professional system, through which an intern can learn a broad range of important skills.

Apart from assisting with essential tasks to help the company stay productive and organized, the intern will learn various technical aspects of landscaping design and be given access to resources for building their portfolio with digital and print materials. Symphony Yards Landscaping will also give the intern a chance to offer their creative input and ideas in a supportive and professional environment.

According to Sheena Fanning, Symphony Yards Landscaping's head designer, "Our team is made up of passionate, creative people who love what they do. We look forward to welcoming new team members who are eager to start off on a great career."

Students who are interested in the opportunity can apply through the company's website, either by submitting the application form digitally or mailing a print copy to 85 Prescott Circle, Office C, Steadsville, CT 06810. The internship will run from January through the summer of 2023. Ideal candidates will be university and college students within commuting distance from the Steadsville area. Students who are engaged in horticultural, design, or a similar academic curriculum will be preferred candidates for this role.

BOILERPLATE

For over 50 years, Symphony Yards Landscaping has been serving Steadsville, CT-based clients by beautifying residential, commercial, and community spaces. The company's classic garden and landscaping services embrace tradition while utilizing modern technology and resources to deliver affordable and sustainable results.
